

# Community Meeting

You are invited to come and visit about what should be built along the US83/IH2 Freeway Corridor

A study is underway to look at the land on each side of the Freeway as it crosses San Juan.

What types of business would you like to see close to the existing Basilica, luxury car dealerships, home improvement store, glass company, funeral home and more?

Your ideas and thoughts as residents and business owners in San Juan are very important.

Please join  
the City of San Juan Planning and Zoning Commission on  
**Thursday, February 18, 2016 for this  
important meeting at  
6:30 PM in the City Commission Room next to the San  
Juan Memorial Library, 1010 S. Standard Avenue.**

Light refreshments will be provided
